ONE QUESTION, ONE ANSWER

Question: Whose designer digs can't you live without, and what is the most prized possession in your closet?

Tanya Memme
TV Host *Robotica*, Former Miss World Canada

"I can't live without my very chic and sexy P.J. Salvage pajamas. They're the "in" thing. I have a pink plaid pair and a pair for when I go skiing. My skiing pair has cute puppy dogs all over them — ahhh! My most prized possession in my closet has got to be my knee-high red snakeskin cowboy boots. I wore them to the People's Choice Awards. When I interviewed Garth Brooks he said, 'Never part with those and never show them to my wife. She would kill for a pair!'"
