Wednesday on the Bob & Tom Show

**Tanya Memme:  
Just Like Bob Vila Only  
MUCH Better Looking!**

Chick McGee will be glued to his high-def television set for sure (not that this is anything new) each time the beautiful [Tanya Memme](#) hosts her brand new show, [Sell This House!](#) The program takes the trials and tribulations of selling a house and makes it fun for everyone by adding in a hidden camera, and then mixing in a little *Trading Spaces*. Tanya and her crew choose a new couple each week that is desperately

trying to sell their house. They then secretly videotape unsuspecting potential buyers as they complain about what's wrong with the place. Next, decorators come in, fix up the house, and the couple again attempts to sell their home to the same buyers. It's *Candid Camera* meets *This Old House*... and whether or not the house sells, you get to watch Tanya Memme. [Sell This House!](#) airs Sundays on the [A&E Network](#).

**SIDE NOTE** - Tanya Memme is #1 on Chick's "Free Pass" list. Unfortunately for him, this pass is revoked anytime Tanya is in the same City as Chick.
